 - Board of Directors (1 year)
 - South Salt Lake Works Economic Development Board (2 years)
 - United Way Funds Distribution Panel (4 years)
- The county treasurer's office will benefit from the educational, professional and public service experience which I offer. I understand and have demonstrated leadership in the political environment in which the treasurer's office operates. These experiences will help me to insulate the treasurer's professional responsibilities from the politics the office will unavoidably face.
